Becoming A Member!

To achieve the goals of the Society we need one particular resource—money.

As the society is continually growing, the demands for our services is also increasing and so it has been necessary to introduce a one-off lifetime membership fee of just **£20**. You can pay by:

- **Cheque**
Cheques should be made out to
The Pernicious Anaemia Society
- **Credit Cards**
We use Royal Bank of Scotland's WorldPay to process all major credit cards via the Homepage of the website.
- **Paypal**
It's an easy way to donate. However, Paypal takes some of the money..
- **Bank Transfer**
Please contact us for information on our bank account. Cheques in Sterling drawn on a U.K. bank are welcome. Non U.K. residents can make a deposit via IBAN.
- **Small Regular Donations.**
Setting up a regular (monthly) standing order of a small sum would provide us with sustainable funding. Please contact us for further information.

TERMS OF MEMBERSHIP:

Lifetime Membership costs just £20. Any donations are welcomed by the society. Any person who also makes a donation greater than £10.00 will receive a free society wristband as a token of thanks.

Personal details as listed above will be held securely by the society and will never be passed on to any third party without the member's express permission.

The society reserves the right to refuse any application for membership or terminate any existing membership on the grounds of persons deemed to be against the aims and objective of the society or wishing to benefit from the society for personal gain. The society operates a strict non-racial policy and will not discriminate against any person on the basis of race, religion or any social difference.
